Dear \_\_\_\_\_ [Name of potential temporary guardian(s)] :

I have chosen you as a potential First Responder for my child(ren) by naming you as a Temporary Guardian for them. This is an important responsibility reflecting my trust and confidence in you.

**Introduction to Your Role and Responsibilities as a Temporary Guardian**

As a temporary guardian, you would be responsible for taking immediate and temporary custody of my child(ren) in the event that both me and my child(ren)'s other parent are either incapacitated, have died, or otherwise are not available to my child(ren), until such time as the people I've named as guardians can take physical custody of my child(ren)

I have chosen you for this role because I am confident you would be able to be immediately available for my child(ren) and help my child(ren) cope with a potentially emotional and traumatic situation until the permanent guardian is able to step in and take permanent custody of them.

In the event I am unable to care for my child(ren) due to incapacity or death, please go to my child(ren) immediately, along with the enclosed documentation in hand confirming your authority to be with them. Do not call the police until you are with my child(ren) and have the enclosed documentation in hand; otherwise, my child(ren) might be taken into protective custody. Having my child(ren) taken into protective custody is a situation that I wish to avoid if at all possible. Once my child(ren) are in your care, please contact

[Name and phone number of 1st choice guardian(s)] , whom I have named as permanent guardian(s) of my child(ren). Please stay with my child(ren) until the permanent guardian(s) arrive to take custody of my child(ren). Please also locate my guardianship paperwork specifying alternate guardian(s), which is located
