Dear _____ [Name of potential permanent guardian(s)] :

I am writing to share important information with you about my estate plan and your role related to that plan. I have chosen you to serve as a potential Guardian for my minor child(ren). This is an important responsibility reflecting my trust and confidence in you.

Introduction to Your Role and Responsibilities as a Guardian

As a guardian, you would be responsible for caring for and loving my child(ren) in the event of my incapacity or death. Guardians are responsible for making medical and educational decisions for the children and otherwise providing for their needs.

In the event that I am unable to care for my child(ren) due to incapacity or death, you should ensure that you immediately make arrangements to take custody of my child(ren), if necessary. All documentation that authorizes you to take custody of my child(ren) is stored

There is nothing you need to do now. However, I invite you to call, e-mail, or write me with any questions about your role in this plan.

Warmly,
