**Form #1:**

**Nomination of Guardian**

Instructions: You and your child(ren)'s other parent should both complete individual forms, listing the same guardians. Store this completed form in a secure location where authorities can find it should it be needed. **Note that you should not store your forms in a safe deposit box.** You can elect to send copies of these forms to your potential guardians, though I recommend against this as your alternate guardians might be hurt to discover they are your second or third choice. Rather, send *Form #2* to each potential guardian, including alternate guardians.

For additional copies of this form, or if you prefer completing forms on a computer, refer to the disk included in your Kit. Note that you will be unable to save electronic files without a full version of Adobe Acrobat®. However, you can print hard copies for your use.

If you have a Will, or if you are planning to execute a Will, make sure that your Will specifies that you have executed a Nomination of Guardian in a separate writing and that your Will does not supersede your Nomination of Guardian.

**Attention residents of Vermont and New Hampshire:** You must have three witnesses sign your forms. Please add an additional witness block (witness signature, witness name printed, and witness address, city, state, and ZIP code) and have a third witness witness your signature. **If you are a resident of Louisiana,** you must have your forms notarized. Please sign them in front of a notary and ask the notary to attach a certificate of notarization
